

HYAC65100BD 6.5HP HYUNDAI

6.5HP
HYUNDAI
HYCA65100BD

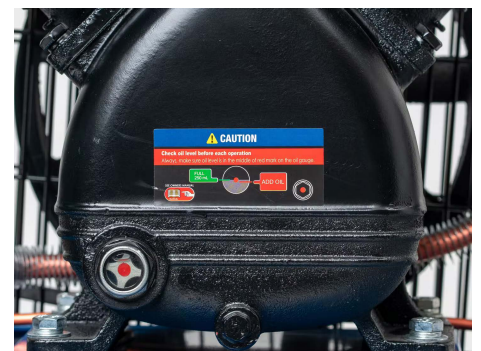

This 6.5hp petrol compressor brings all the grunt and capacity you need to tackle any job with ease. Use it to power your workshop or take advantage of the petrol power to take it off-site to where the work is.

The 11 CFM delivery and 116psi of pressure give you enough juice to power multiple tools simultaneously, while big 100L tank is designed for sustained use.
